WWRP Grit Classifier Replacement

FY20 CIP Update

KEY FEATURES:

Consultant: N/A

Contractor: Western Environmental
Equipment Company

Construction Challenges:

- Maintaining operation during construction

Project Manager:

Roxanne Holland, PE
 (928) 203-5069
RHolland@SedonaAZ.gov

City Engineer:

J. Andy Dickey, PE
 (928) 203-5039
ADickey@SedonaAZ.gov

\$ FY20 Project Budget: \$150,000
Total Project Budget: \$150,000

The grit classifier is an essential part of the wastewater treatment process. The grit classifier separates and removes grit after primary treatment (barscreens) prior to the aeration basins. The removal of grit (rocks, gravel, sand, and organic material) is important to keep solids handling and disposal to a minimum. This project will replace the existing grit classifier with new equipment.

Status: The Contractor and equipment manufacturer have submitted shop drawings for the new equipment and staff is currently reviewing for approval. Once approved, the equipment will be manufactured and installation is scheduled to begin in Spring 2021.

For a copy of this update, or updates for other projects, visit the projects website at: www.sedonaaz.gov/CIP.

Project Status

December 2019

Project Phase	% Completion	Completion Date
Design	50%	Winter/Spring 2019
